2. The General Aggregate Limit is the most we will pay for the sum of:

because of all "bodily injury" and "property damage" arising out of any one "occurrence".

6. Subject to 5, above, the Fire Damage Limit is the most we will pay under Coverage A for damages because of "property damage" to premises rented to you arising out of any one fire.
7. Subject to 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

The limits of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

Agency Code 17-0877-00

Policy Number 034617-38009361

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation, settlement or defense of the claim or "suit"; and

d. No insureds will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us.

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial;

but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance.

If other valid and collectible insurance is available to the insured for a loss we cover under Coverage A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) That is Fire insurance for premises rented to you; or

(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Coverage A (Section I).

When this insurance is excess, we will have no duty under Coverage A or B to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

Agency Code 17-0877-00

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit.

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy term is greater

than the earned premium, we will return the excess to the first Named Insured.

- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations.

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation of Insureds.

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us.

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

erage form also applies while the automobile is being transported between ports thereof. The time of Effective Date and Expiration Date expressed in the Declarations is Standard Time at the address of the insured as stated in the Declarations.

CONDITIONS

These conditions apply in addition to the Common Policy Conditions.

1. LIMITS OF LIABILITY. Regardless of the number of (1) insureds under this coverage form, (2) persons or organizations who sustain bodily injury or property damage, (3) claims made or suits brought on account of bodily injury or property damage or (4) automobiles to which this coverage form applies, the limit of liability expressed in the Declarations with respect to Coverage A as applicable to "each person" is the limit of the Company's liability for all damages, including damages for expenses, care and loss of services, arising out of bodily injury to or death of one person in any one occurrence; the limit of such liability expressed in the Declarations as applicable to "each occurrence" is, subject to the above provisions respecting each person, the total limit of the Company's liability for all damages, including damages for expenses, care and loss of services, arising out of bodily injury to or death of two or more persons in any one occurrence. For the purpose of determining the limit of the Company's liability, all bodily injury and property damage arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one occurrence.

2. PREMIUM. The premium for the coverage provided in this coverage form is based upon the entire payroll of proprietors, active executive officers, managers, salesmen, clerical force, mechanics, chauffeurs and other employees of the insured except that a premium charge shall be made upon the compensation of any proprietor, active executive officer and manager at \$3,000.00 per annum; all other employees shall be included at the actual remuneration (including commission, bonuses and other compensation) regardless of the period of employment but

not in excess of \$3,000.00 per annum earned whether paid or not.

3. RECORDS. It shall be a further condition of this insurance that the insured shall keep an accurate record of such payroll, including the names of all persons, the period for which employed and actual remuneration of such persons, whether paid or not, during the period of the policy. The Company, or any of its representatives, shall be permitted at any time during the term of this insurance or within one year thereafter to examine and audit any and all of the insured's payroll records for the purpose of determining the premium for this insurance.

4. PAYROLL REPORTS AND AUDITS. At the end of the payroll report period stipulated in the Declarations, the amount of remuneration earned by proprietors, active executive officers and all employees and the total gross amount of all such earnings during such period shall be exhibited to the Company, as provided elsewhere in this section and the earned premium shall be adjusted in accordance therewith at the rates and under the conditions herein specified. If such exhibit shall be made for a period less than the policy term, the earned premium so determined shall be due and payable and the deposit premium stipulated in the Declarations shall be the deposit premium for the next payroll report period. If the earned premium for the full policy term or the final payroll report period shall be greater than the deposit premium indicated in the Declarations, the named insured shall immediately pay the additional amount to the Company; if less, the Company shall return to the named insured the unearned portion but, except in event of cancellation, the Company shall retain the minimum premium stated in the Declarations.

tenance or use of an automobile during the policy period, to the extent of the coverage and limits of liability required by such law.

6. NOTICE OF ACCIDENT, CLAIM OR SUIT. Upon the occurrence of an accident covered by this policy, the insured shall give immediate notice to the Company or to its authorized agent. Failure to give such notice shall not invalidate this insurance if it is shown that the insured could not reasonably give such notice. Such notice shall contain particulars sufficient to identify the insured and also reasonably obtainable information respecting the time, place and circumstances of the accident, the names and addresses of the injured persons, the owner or driver of the other automobile involved and available witnesses. The named insured shall promptly take at his expense all reasonable steps to prevent other bodily injury or property damage from arising out of the same or similar conditions, but such expense shall not be recoverable under this insurance.

If claim is made or suit is brought against the insured, the insured shall immediately forward to the Company every demand, notice, summons or other process received by him or his representative.

The insurance afforded by this coverage form with respect to automobiles not owned by the named insured shall be excess insurance over any other valid and collectible insurance available to an insured. Except when stated to apply in excess of or contingent upon the absence of other insurance, the insurance afforded by this is coverage form is primary insurance. When this insurance is primary and the insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Company's liability under this coverage form shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the Company shall not be liable under this insurance for a greater proportion of the loss than that stated in the applicable contribution provision below:

(a) Contribution by Equal Shares. If all of such other valid and collectible insurance provides for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of loss is paid.

(b) Contribution by Limits. If any of such other insurance does not provide for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this insurance for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

10. SUBROGATION. In the event of any payment under this insurance, the Company shall be subrogated

to all the insured's rights of recovery therefor and the insured shall execute all papers required and shall do everything that may be necessary to secure such rights.

11. DECLARATIONS. By the acceptance of this insurance the named insured agrees that the statements

in the Declarations are his agreements and representations; that this coverage form is issued in reliance upon the truth of such representations, and that this coverage form and Declarations attached hereto embody all agreements existing between himself and the Company or any of its agents relating to this insurance.
